

REMARKS

The Notice of Allowance issued on June 27, 2008, and the issue fee has not been paid. The above amendment has been made to correct an ambiguity in the claims by adding the dependency of claim 7, which was inadvertently omitted in the previous amendment due to a typographical error.

The amendment presents no new matter and does not require withdrawal of the application from issue. The scope of the claims is not materially affected, and the amendment requires no substantial amount of additional work on the part of the Office. Accordingly entry of the amendment is respectfully requested.

Applicants believe there is no fee required for this submission, however, please charge any fee deficiency or credit any overpayment to Deposit Account No. 50-1088.

Respectfully submitted,
CLARK & BRODY
